## Solemnity of Corpus Christi

In 2026, the Solemnity of Corpus Christi (The Most Holy Body and Blood of Christ) is celebrated on Sunday, June 7th. While the traditional Thursday observance falls on June 4th, the feast is transferred to the Sunday celebration for the community of the faithful to come together.

The Feast of Corpus Christi is a festival that annually honors the sacred body of Jesus Christ. The day is also known as Corpus Domini, which literally translates to 'body and blood of Christ'. Unlike other Christian festivals, Corpus Christi is celebrated uniquely in different cultures of the world. The most common way of celebrating the day is by consuming bread and wine—the symbols of the body and blood of Christ. Some Christian churches even call the feast of Corpus Christ a day of thanksgiving for the Institution of Holy Communion. In some places, celebrations include elaborate processions where Christians parade consecrated bread through the streets and paths decorated with flower wreaths.

Contrary to belief, Corpus Christi is not just a Catholic festival but also celebrated in some Anglican and Lutheran Churches and Holy Communion is also an important part of their festivals. We give collective thanks to God for Christ's abiding presence within us on this day.
